#### Lessee Minimum Responsibilities

This Safety and Liability Terms and Conditions shall operate in conjunction with the Rental Agreement between the Lessor and the Lessee. Product or Products listed above will be referenced in the Safety and liability terms and condition as “Inflatable Amusement Devices” The safety of each and every patron that utilizes the Inflatable Amusement Devices is incumbent on the Lessee. The Lessee must take responsibility to make sure that there is adult supervision is an “Attendant” of the Inflatable Amusement Devices at all times. Failure to adequately supervise patrons utilizing the Inflatable Amusement Devices may be the leading cause patron being injured while using or being around the Inflatable Amusement Devices. Lessee has control of the Inflatable Amusement Devices after it is delivered until the time it is picked up again by the lessor, and therefore must ensure the safe operation of the Inflatable Amusement Devices for the safety of all patrons who utilize the Inflatable Amusement Device. Since Lessor, delivers the Inflatable Amusement Devices and picks up the Inflatable Amusement Devices from Lessee’s property, lessor does not provide any supervision or employees with the Inflatable Amusement Devices during the rental period. Lessee agrees to that they alone will be responsible for the safe operation of the Inflatable Amusement Devices, and shall indemnify Lessor for claims and/or lawsuits arising from any accidents, injuries or damages of any kind arising from the use of the Inflatable Amusement Devices sustained by the Lessee or any of Lessee’s guests.

#### Attendant(s) Minimum Responsibilities

- ▶ **Do not allow anyone inside the Inflatable Amusement Device if the Inflatable Amusement Device is not anchored to the ground from ALL anchor points**
- ▶ **1) Evacuate patron from the Inflatable Amusement Device if sustained winds reach 15 Mile Per Hour 2) turn off blowers once everyone is safely evacuated from the inflatable Amusement Device**
- ▶ Attendant(s) must utilize a whistle or audio device to obtain attention, and take action at the first sight of rule infraction
- ▶ An inflatable amusement device should always be supervised by an operator/attendant while it is inflated unless it’s secured from unauthorized access,
- ▶ Be aware that emergencies can arise for various reasons, such as loss of electrical power. This situation tends to cause panic unless the Attendant / operator stays calm and relaxed. Do not leave the ride to check on any problems, emptying the ride is the first priority and then address the issue. Talk calmly to those inside telling them not to panic while you are helping them walk out, the inflatable will slowly start to deflate but you will have sufficient time to help the riders to quickly and safely exit the ride. On Inflatable Amusement Devices with a sealed roof an emergency exit is always available, if all patrons don't make it out on time, pull off the cover and have the patrons exit through it. This strictly a guide, use common sense when an emergency occurs, and think about patron safety first.

#### Denying Entry

- ▶ The Attendant may deny entry to the inflatable device to any person, if in the opinion of the Attendant the entry may cause above normal exposure to risk of discomfort or injury to the person who desires to enter, or if in the opinion of the Attendant the entry may jeopardize the safety of other patrons or employees

#### Communicating to Patron Parents and Chaperons

- It is the attendant’s responsibility to communicate to Patrons Parents and Chaperons that there are inherent risks in participating in any air inflatable device.
- Attendants, Patrons, Parents and Chaperons must be aware
- Before granting a minor entry to Inflatable Amusement Device, it is required to read and understand all of the operation and safety instructions for this device.
- By allowing a minor to participate, in a Inflatable Amusement Device you are accepting all the risks that are associated with participation.
